

IBM COGNOS ANALYTICS CREATION:

A screenshot of a Google search for "ibm cognos". The search bar shows "ibm cognos" with a magnifying glass icon. Below the search bar, it says "About 46,800,000 results (0.45 seconds)". The search results include several ads and a featured snippet. The first ad is for "IBM Cognos Analytics - Explore All the Features" with a link to "https://www.ibm.com/cognos/analytics". The second ad is for "IBM Cloud Pak for Data" with a link to "https://www.ibm.com/cloud-pak-for-data". The third ad is for "Watson AI" with a link to "https://www.ibm.com/watson-ai". The featured snippet is for "IBM Cognos Analytics" and describes it as a web-based integrated business intelligence suite by IBM. It provides a toolset for reporting, analytics, scorecarding, and monitoring of events and metrics. The software consists of several components designed to meet the different information requirements in a company. The snippet also lists the platform as cross-platform software, the license as proprietary, and the operating system as Microsoft Windows Server, Linux, and UNIX. The snippet is titled "IBM Cognos Analytics" and "Software".
